Note that we will NOT be accepting State Funding in lieu of payment for all courses. MLSS employees should contact the Education Dept for payment options. NYS tuition reimbursement may be applied to the state by the student's sponsoring agency upon successful completion of the NYS certification process. If you would like to request a payment plan for your tuition, please contact our Education Department at 845-510-1866 extension 245. We will be happy to discuss the options.
