Name of Action or Project: Ulster County Government Operation Center		
Project Location (describe, and attach a general location map): Paradies Lane New Paltz New York - Tax Map Parcels 86.12-5-12.320 & 86.12-5-310 Consisting of 57.3 acres		
Brief Description of Proposed Action (include purpose or need): Ulster County declared its intent to act as Lead Agency for the development of a Government Operations Center (GOC) to be located at Paradies Lane in New Paltz. The proposed GOC will serve as the County's Emergency Operations Center (EOC) and Public Safety Answering Point (PSAP/ 911Center) The site consists of 57.3 acres of which approximately 6.5 acres will be used as the site for the facility that includes the main facility at 16,000SF, storage building at approximate 4,000 SF, parking for 65+/- cars, areas for expansion, perimeter protection, 65-70 ft. communication tower, and well and septic. Approximately 21 acres of the site will remain available to meet future community needs or priorities such as housing, transportation uses, economic development. The remaining acreage (30+/-) are encumbered by a mosaic of federal, state and locally designated wetlands that may offer some opportunities for solar or other green energy development but for the most part will remain undeveloped. A locally controlled wetland buffer encroachment is proposed It is important to note that the County as segmented its purchase of the property from the environmental review of this action concluding that such segmentation was a discrete action and would neither impair nor reduce the effectiveness of subsequent environmental review of any subsequent actions.
